These goals maximize the potential for student success.

COMMUNITY

Westbury is a suburban community located on the North Shore of Nassau County, Long Island approximately 23 miles East of New York City. It is a culturally diverse community with a student population with more than 98% of its students identified as ethnic minorities (70% Hispanic, 27% African/Haitian American, 3% Asian/Pacific). The uniqueness of the school and community is the outreach to communicate with households whose primary language is other than English.
